Dear Jimmy and Joanne:

We would like to take this opportunity to thank you for your second trip into Libya, for the last 15 days, as members of the Non-governmental Fact Finding Commission.

We would respectfully request that you extend your trip for another week or two because we have had requests from many refugees, hospitals, and other civil groups that have asked you to hear their stories and pass their facts to the outside world. All of these innocent civilians have been devastated by the NATO bombings and pray that their stories can bring this conflict to a peaceful end.

Thank you in advanced for your continued support and look forward to a long and productive future with you.

Tripoli, 16 June 2011.

The Non-Governmental Fact Finding Commission in
Libya
